**Flexible swing door** with 220V **monophase** automation

# Nice to meet you!

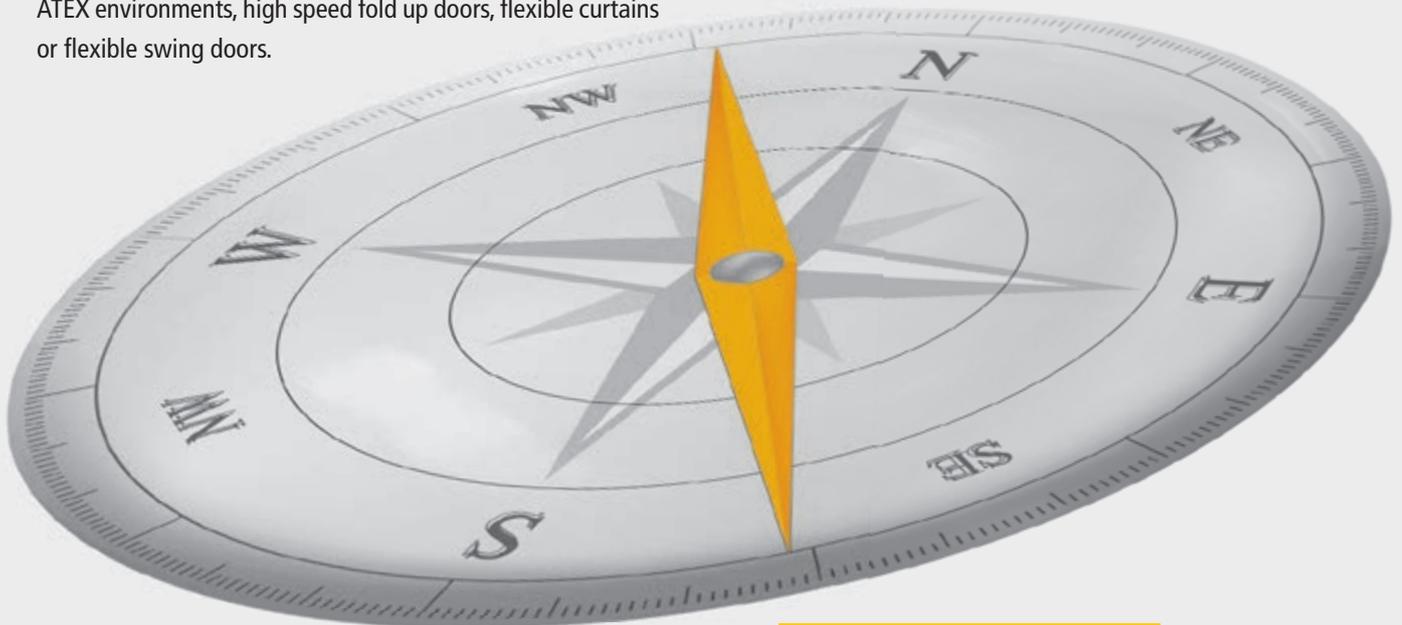

Since 1983 our company has been manufacturing high speed doors, offering a wide range of high quality products, simple to install, reliable and long lasting and always delivered on time.

Our company has great goals, first of all we want to be innovative, develop and present new models of our products to become the excellence on the market.

We are well-known and appreciated for the following features:

**Production and sale** of a complete range of high speed doors: roll up doors, self repairing or special for the food industry or ATEX environments, high speed fold up doors, flexible curtains or flexible swing doors.

**Flexibility and adaptability to customers' needs** in order to design and manufacture high speed doors for every sector: logistic sector, industrial sector, commercial activities, health environments, food or ATEX sectors.

**Product reliability and delivery punctuality** because our company is made up of motivated people, in order to offer the best reliable product, easy and fast to assemble, with prompt delivery.

**Logistics and assistance service** because we have a warehouse with lots of equipment for the maintenance or manufacture of industrial doors.
